- Spine Medical-Legal Reviews
- Spine Surgery Fellowship in Neurosurgery and Orthopaedic Surgery
- Spine Surgery and Spine Interventions
- 19+ years of spine medical-legal experience
- California, Texas, Nevada, Arizona, Florida, USA

INDEPENDENT SPINE

William Dillin, MD

800-211-9877

info@independentspine.com

www.independentspine.com

The concepts of evidence-based medicine have been the cornerstone of Dr. Dillin's education during his spine surgery fellowship in Neurosurgery and Orthopaedic Surgery and the format for decision making in his subsequent practice. The critical analytic features inherent in the 'best evidence' approach to patients have permeated his writing and his lectures, allowing flexible adaptation as the science has changed. Since July 1985, Dr. Dillin has been exclusively devoted to **clinical spine, interventional spine and spine surgery** practice. The combination of clinical critical thinking in conjunction with evidence-based medicine practice, allows spine specialty focus on any **Independent Medical Evaluations or Medical-Legal Reviews**.

He is in clinical practice performing spine surgery, spine interventions and evaluating patients with spine conditions. He is licensed in **California, Texas, Arizona, Florida and Nevada**. Dr. Dillin was a former partner at the Kerlan-Jobe Orthopaedic Clinic.

Email: drstetson@stetsonleeortho.com

Specialty Areas:**Orthopedic Surgery, Sports Medicine, and Gunshot Wounds**

Dr. Stetson specializes in sports medicine with an expertise in arthroscopic and reconstructive surgery of the shoulder, knee, elbow and ankle. He has first-hand knowledge of athletic injuries and trauma related injuries with over 28 years of experience. Dr. Stetson also has an expertise in the evaluation and treatment of gunshot wounds to the spine and to the extremities as he has spent over 30 years at Los Angeles County + USC Medical Center as an orthopaedic resident and as a voluntary clinical professor.

Dr. Stetson has over 25 years of teaching experience as a volunteer professor of orthopaedic surgery at Los Angeles County + USC Medical Center where he teaches the residents orthopaedic surgery and arthroscopy. He has also served as the medical director and on the management committee of outpatient surgery centers. He is the author of over 45 peer reviewed publications and has over 100 national and international presentations. He is a Qualified Medical Examiner (QME) for the state of California and has served as an expert witness for the last 15 years in over 70 cases involving complex personal injury, workers compensation, malpractice and product liability cases.

IME reports detailing an individual's current mental status, depression or anxiety levels, memory, mental illness, learning disabilities and abstract reasoning. She has also consulted for cases involving workplace injuries, post-traumatic stress, and workers' compensation evaluations. Assessments vital in determining the ability to continue employment, and assess patient levels of honesty and psychological impairment.

 Additional Locations: PEMBROKE
 PINES, LONG ISLAND (NY)
 Licenses: FL, NY
Specialty: Chiropractic, I've been
 deposed zero (0) times. My IMEs
 average two (2) hours or more. The
 case history and examination are
 very thorough. Claimants are always
 allowed to record, and/or have a
 witness in the room during the case
 history & examinations. They can
 Fax or email me additional info.
 They are told to report all symptoms
 during the examination, but
 reporting symptoms when testing
 does not affect symptoms can cause
 doubt on the authenticity of the
 complaint. Malpractice reviews are
 also performed.

License(s): CA, WA, MI, MN, FL, GA, PA, NY, NJ, TN, AL

33 Years in Practice, 17 Years Performing IMEs

Elevate your legal strategy with the expertise of a distinguished Neurosurgeon, boasting an illustrious 33-year career. As a board-certified professional, our expert is not only a proud alumnus of Cornell University and Georgetown University School of Medicine but has also honed his skills at the esteemed University of Southern California-Los Angeles County Hospital. Presently, he is a valued faculty member at the University of Central Florida College of Medicine and holds multiple state licenses.

Our expert's extensive publication record, which includes numerous journal articles and textbook chapters, underscores his profound knowledge and commitment to his field. With a wealth of experience in both trial and deposition settings, he combines superior communication skills with a compassionate demeanor, making him an invaluable asset to your case.

Specializing in personal injury, medical malpractice, and workers' compensation, our expert provides balanced and robust analyses for both plaintiff and defense cases. His testimonials reflect his integrity, with honest evidence reviews and defensible opinions that stand the scrutiny of legal proceedings.

In addition to his medical and legal acumen, he is fluent in English, German, and Spanish, enhancing his ability to communicate effectively in diverse settings and with various stakeholders.

Available for Independent Medical Exams (IMEs) across various locations including Hollywood, FL, and Dearborn, MI, and licensed in states such as CA, WA, MI, MN, FL, GA, PA, NY, NJ, TN, and AL, our expert is flexible and accessible. His legal expertise encompasses a broad spectrum, including traumatic brain injury (TBI), veterans affairs, federal matters, peer review, and insurance authorizations, ensuring comprehensive insights across diverse cases.

Leverage the depth of experience, evidence-based opinions, and multilingual capabilities of our distinguished Neurosurgeon to fortify your legal endeavors. Choose excellence, expertise, and empathy for your legal needs.

**ORTHOPEDIC SURGEON**

Doctor Richard Smith is the founder and principle orthopedic surgeon of Florida Center for Orthopedics in Metrowest, Florida. The practice has logged over 30 years (and counting) of easing the musculoskeletal disorders and injuries of hundreds of ortho patients throughout Central Florida. Dr. Smith adds another decade onto that number with prior experience as Chief of Spinal Surgery at Orlando Naval Hospital – he was a Lieutenant Commander in the United States Navy Reserve at the time.

All of which is to say, quite simply, that Richard Smith, MD, is a board-certified orthopedics practitioner with 32 years under his stethoscope, and that is a boatload of experience.

Dr. Richard Smith also offers expert services on IMEs, CMEs, QTCs, and Medical Reviews.

Experience:

- . 30 + years performing IMEs
- . 1500 + IMEs performed
- . Deposed/Testified 100 + times

Board Certified Psychiatrist Certified in Addiction Medicine

Specialty Focus: Addiction Medicine, Hospital, liability, dual diagnosis, involuntary, psychosis, suicide, workers comp, fitness for duty, expert, malingering, sexual contact, disability, diagnosis, psychotropic medication, detox, inpatient, guardianship, violence

Years in Practice: 40 **Years Performing IMEs:** 20+ **IMEs performed:** 100+ **Deposed/Testified:** 25+ times

40 years experience working in psychiatric hospitals, chemical dependency treatment facilities, nursing homes, community mental health centers, and office-based private practice of adolescents and adults with a wide range of psychiatric illnesses and addiction issues. Currently in active practice with a unique ability to perform completely private evaluations in security-sensitive circumstances. Routinely contacted directly to arrange and coordinate independent evaluations, meet with clients without involving others, and can perform evaluations in anonymous locations when necessary. Reports are completed offline without involving any third party in the process (without answering services, recording devices, third party testing, EMR, secretarial/support staff or coordinators, transcriptionists, etc.) ensuring complete privacy throughout the IME process.

11 years performing IMEs

I am board certified in general surgery and critical care. I am an assistant professor in the Department of Surgery at Johns Hopkins University. My administrative positions have included chief of surgery, trauma medical director, medical director of surgical intensive care unit, medical director of ambulatory surgery center, chief medical officer for multispecialty group, and medical director and founder of a breast cancer center and not-for-profit foundation. I have had a very broad experience in my career including both academic and private practices and levels 1, 2 and 3 trauma centers. My career has included vascular, thoracic, oncologic, advanced laparoscopic and open procedures.

prime consulting

*Independent Medical Examination • Permanent Impairment Rating
Medical Chart Review*

*With three experienced doctors,
Prime Consulting is ready to serve you from New Hampshire's capital!*

Dr. Douglas M. Goumas

Dr. Douglas M. Goumas is a board-certified Orthopedic Surgeon specializing in sports medicine, and the diagnosis/treatment of injuries to the shoulder, knee, elbow, and ankle. Dr. Goumas founded Prime Consulting to provide independent medical evaluations, permanent impairment ratings, and medical chart reviews nationwide. He was selected by NH's governor to share expertise in workers' compensation related injuries to the NH Workers' Compensation Advisory Committee.

Dr. Debra Margolis, FAAFP

Dr. Debra Margolis is a board-certified Family Physician specializing in Osteopathic Medicine serving patients throughout New England. Her dedication, leadership, and research make her a respected figure in the medical community. Dr. Margolis has extensive experience in acute care for workplace injuries, understanding the multifactorial issues that can affect recovery after a head injury. She has completed CDC Heads Up and IMPACT training.

Dr. Matthew W. Wilkening

Dr. Matthew W. Wilkening is a board-certified Orthopedic Surgeon who has made significant contributions to the medical field through research and military service. Dr. Wilkening has earned numerous recognitions while based in the US and on international deployments. Dr. Wilkening's counsel on worker's compensation, disability, personal injury, and other claims are delivered thoroughly to insurance companies, employers, and legal entities.

Prime Consulting provides expert independent medical examinations, permanent impairment ratings, and medical chart reviews for patients, insurance companies, medical groups, hospitals, legal firms, and more.

prime consulting

*Independent Medical Examination • Permanent Impairment Rating
Medical Chart Review*

*With three experienced doctors,
Prime Consulting is ready to serve you from New Hampshire's capital!*

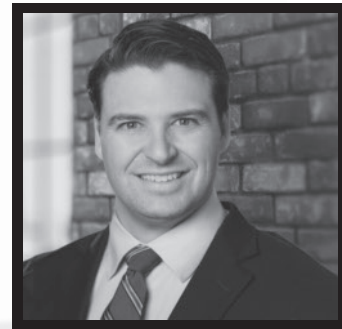

Dr. Douglas M. Goumas

Dr. Douglas M. Goumas is a board-certified Orthopedic Surgeon specializing in sports medicine, and the diagnosis/treatment of injuries to the shoulder, knee, elbow, and ankle. Dr. Goumas founded Prime Consulting to provide independent medical evaluations, permanent impairment ratings, and medical chart reviews nationwide. He was selected by NH's governor to share expertise in workers' compensation related injuries to the NH Workers' Compensation Advisory Committee.

Dr. Debra Margolis, FAAFP

Dr. Debra Margolis is a board-certified Family Physician specializing in Osteopathic Medicine serving patients throughout New England. Her dedication, leadership, and research make her a respected figure in the medical community. Dr. Margolis has extensive experience in acute care for workplace injuries, understanding the multifactorial issues that can affect recovery after a head injury. She has completed CDC Heads Up and IMPACT training.

Dr. Matthew W. Wilkening

Dr. Matthew W. Wilkening is a board-certified Orthopedic Surgeon who has made significant contributions to the medical field through research and military service. Dr. Wilkening has earned numerous recognitions while based in the US and on international deployments. Dr. Wilkening's counsel on worker's compensation, disability, personal injury, and other claims are delivered thoroughly to insurance companies, employers, and legal entities.

Prime Consulting provides expert independent medical examinations, permanent impairment ratings, and medical chart reviews for patients, insurance companies, medical groups, hospitals, legal firms, and more.

Neurosurgery Spinal Medicine

Specialty Focus: Minimally invasive spine surgery, personal injury, total brain injury

License(s): CA, WA, MI, MN, FL, GA, PA, NY, NJ, TN, AL

33 Years in Practice, 17 Years Performing IMEs

Elevate your legal strategy with the expertise of a distinguished Neurosurgeon, boasting an illustrious 33-year career. As a board-certified professional, our expert is not only a proud alumnus of Cornell University and Georgetown University School of Medicine but has also honed his skills at the esteemed University of Southern California-Los Angeles County Hospital. Presently, he is a valued faculty member at the University of Central Florida College of Medicine and holds multiple state licenses.

Our expert's extensive publication record, which includes numerous journal articles and textbook chapters, underscores his profound knowledge and commitment to his field. With a wealth of experience in both trial and deposition settings, he combines superior communication skills with a compassionate demeanor, making him an invaluable asset to your case.

Specializing in personal injury, medical malpractice, and workers' compensation, our expert provides balanced and robust analyses for both plaintiff and defense cases. His testimonials reflect his integrity, with honest evidence reviews and defensible opinions that stand the scrutiny of legal proceedings.

In addition to his medical and legal acumen, he is fluent in English, German, and Spanish, enhancing his ability to communicate effectively in diverse settings and with various stakeholders.

Available for Independent Medical Exams (IMEs) across various locations including Hollywood, FL, and Dearborn, MI, and licensed in states such as CA, WA, MI, MN, FL, GA, PA, NY, NJ, TN, and AL, our expert is flexible and accessible. His legal expertise encompasses a broad spectrum, including traumatic brain injury (TBI), veterans affairs, federal matters, peer review, and insurance authorizations, ensuring comprehensive insights across diverse cases.

Leverage the depth of experience, evidence-based opinions, and multilingual capabilities of our distinguished Neurosurgeon to fortify your legal endeavors. Choose excellence, expertise, and empathy for your legal needs.
